STAINED GLASS CLASS SCHEDULE FALL 2010

BEGINNING COPPER FOIL STAINED GLASS - Maximum 9 Students

This three-week course in copper foil techniques will include the pattern and materials necessary to construct a small panel. Tools are not included, although there may be a few rental tools available. Please call for information.

TUITION \$85.00 - NON-REFUNDABLE DEPOSIT \$50.00

- | | | | |
|----|-----------------------|-----------|---------------|
| 1. | AUG. 11, 18 & 25 | WEDNESDAY | 9 -- 11:30 AM |
| 2 | SEPT. 18, 25 & OCT. 2 | SATURDAY | 9 -- 11:30 AM |

BEGINNING LEAD STAINED GLASS - Maximum 9 Students

This three-week course will teach you the basics of lead window construction. Patterns and lead are included.

Students will need to pick their pattern and purchase their own glass the week before class. Tools are not included, although there may be a few rental tools available. Please call for information.

TUITION \$ 85.00 - NON-REFUNDABLE DEPOSIT \$50.00

- | | | | |
|----|------------------|-----------|--------------|
| 3. | SEPT. 1, 8 & 15 | WEDNESDAY | 9 – 11:30 AM |
| 4. | OCT. 9 , 16 & 23 | SATURDAY | 9 – 11:30 AM |

ADVANCED LEAD WINDOWS – Maximum 8 Students

Our experts will be available to assist you in building your larger or more intricate lead piece (must fit on a 2'x 2' workboard or alternate arrangements must be made). Glass, lead and pattern are not included. Students must have their own tools.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

- | | | | |
|----|------------------------|-----------|---------------|
| 5. | SEPT. 22 , 29 & OCT. 6 | WEDNESDAY | 9 -- 11:30 AM |
|----|------------------------|-----------|---------------|

BEGINNING GLASS FUSING – Maximum 12 Students

This class is a three-week introductory course in glass fusing and slumping. All materials are supplied. Required tools are a glass cutter and breaking tools. Three projects will be completed during the class period. Recommended reference book is "The Fused Glass Handbook" by Gil Reynolds.

TUITION \$150.00 – NON-REFUNDABLE DEPOSIT \$80.00

- | | | | |
|----|-----------------------|---------------|--------------|
| 6. | SEPT. 28, OCT. 5 & 12 | TUESDAY NIGHT | 6 -- 8:30 PM |
| 7. | NOV. 6, 13 & 20 | SATURDAY | 9 – 11:30 AM |

DESSERT AND FUSING – Maximum 9 Students

Come and make an 8" texture-fired dessert plate, then have dessert with us! We will supply an 8" blank, glass for your design, use of all stringer, frit and of course homemade dessert! No experience necessary. Plates will be ready for pickup the following week. **TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00**

- | | | | |
|----|--------|----------|---------------|
| 8. | AUG. 7 | SATURDAY | 9 -- 11:30 AM |
|----|--------|----------|---------------|

FUSED WATCHES – Maximum 6 Students

We will supply the fused components, watch face, sterling silver wire, beads and findings to make a complete watch which you will finish in class and take home. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

- | | | | |
|-----|----------|----------|---------------|
| 9. | AUG. 12 | THURSDAY | 9 -- 11:30 AM |
| 10. | SEPT. 10 | FRIDAY | 9 – 11:30 AM |

BEADED CUFF BRACELET WITH FUSED COMPONENT – Maximum 8 Students

You will learn to make an adjustable beaded bracelet and incorporate a fused dichroic component. We will supply the fused piece, base copper wire, beading wire and niblet beads for the back. You may bring your own 4-10 mm beads or bead kits will be available for purchase. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

- | | | | |
|-----|---------|-----------|---------------|
| 11. | AUG. 14 | SATURDAY | 9 -- 11:30 AM |
| 12. | OCT. 20 | WEDNESDAY | 9 – 11:30 AM |

BEADED CROSSES – Maximum 8 Students

Using a pre-fired glass cross, learn our friend Annie's techniques to embellish the glass with some free-form beading.

Glass crosses, wire and tools are supplied. Bead kits will be available for purchase, or bring your own. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

- | | | | |
|------|---------|---------------|--------------|
| 11A. | AUG. 17 | TUESDAY NIGHT | 6 – 8:30 PM |
| 36. | OCT. 30 | SATURDAY | 1:30 – 4 PM |
| 37. | NOV. 10 | WEDNESDAY | 9 – 11:30 AM |

WIRE WORKING 101 – Maximum 8 Students

Learn the basics of wire working for jewelry components -- earring wires, fibulas, jump rings, connectors and much more! These elements are a great addition for creating unique fused glass jewelry. During class you will complete a beaded bracelet and matching wired earrings. Copper wire and all materials are included.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

- | | | | |
|-----|---------|----------|---------------|
| 13. | AUG. 19 | THURSDAY | 9 -- 11:30 AM |
|-----|---------|----------|---------------|

COPPER FOIL BOX WITH FUSED GLASS LID – Maximum 8 Students

We will make a 3”X3”X2” box with beveled sides and mirror bottom. Fused lid, bevels, hinge, and mirror are included. Tools are not included, although there may be a few rental tools available. Please call for information. Must have soldering experience.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

14.	AUG. 20	FRIDAY	9 – 11:30 AM
15.	OCT. 13	WEDNESDAY	9 – 11:30 AM

ICE CREAM SOCIAL AND FUSING! – Maximum 9 Students

We will create a full fused 7” round bowl that will be slumped into a perfect cone-shape, and then we will enjoy an ice cream sundae! All glass, fusing and slumping will be provided. Project will be available for pickup the following week.

No experience necessary. **TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00**

16.	AUG. 21	SATURDAY	9 – 11:30 AM
17.	SEPT. 24	FRIDAY	9 – 11:30 AM

FUSED AND BEADED BRACELET – Maximum 8 Students

You will create your own bracelet cabochon to be fused in class. While that is firing you will wire work one bracelet. The final step will be to drill holes in your cabochon so it is ready to make a second bracelet. We will provide a fused cabochon, sterling silver wire, beads and toggles to complete one bracelet. Tools will be available for use. You will go home with one complete bracelet and a cabochon for you to make on your own. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

18.	AUG. 26	THURSDAY	9 – 11:30 AM
-----	---------	----------	--------------

CUTTING BASICS 101 – Maximum 9 Students

Are you having trouble cutting simple cuts or complex curves? Would you like to know how to use the M-80 breaker, the basics of straight line cutting with the Portable Glass Shop or cutting circles with a circle cutter? We'll show you how.

TUITION \$25.00 – NON-REFUNDABLE DEPOSIT \$25.00

19.	AUG. 27	FRIDAY	9 – 11:30 AM
-----	---------	--------	--------------

FUSED WINDCATCHER – Maximum 10 Students

You will embellish three rectangles with frit, fused nuggets, stringers and glass. While these are fusing you will work on the connecting wire work and beading. You will also make a 4” round lightcatcher. This will be fused after class and available for pickup the following week. All glass, wire and beads are included. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

20.	SEPT. 11	SATURDAY	9 – 11:30 AM
-----	----------	----------	--------------

MOLD MAKING WITH MELISSA - Maximum 10 Students

This class covers three dimensional mold making. A plaster mold will be made from a sculpture, then cast in wax for use in making another mold to be filled with glass. We will cover creating a permanent mold for repeatable castings. Firing schedules for thick molds and their preparation will be discussed. All materials are included.

TUITION \$195.00 – NON-REFUNDABLE DEPOSIT \$95.00

21.	SEPT. 11, 18	SATURDAY	1 – 4:30 PM
-----	--------------	----------	-------------

FUSED GLASS COASTERS – Maximum 9 Students

You will make a set of 4 full-fused coasters. The basics of strip cutting will be covered. All glass, stringers, noodles, frit and tools will be provided. No experience necessary. Tiles will be fired and available for pickup the following week.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

22.	SEPT. 14	TUESDAY NIGHT	6 – 8:30 PM
-----	----------	---------------	-------------

FUSED CABOCHON NECKLACE – Maximum 9 Students

You will make a dichroic cabochon. While that is being fused you will learn how to wirework a square cabochon using sterling silver square wire. You will go home with a finished necklace and cabochon for your next necklace. All materials are included. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

23.	SEPT. 17	FRIDAY	9 – 11:30 AM
-----	----------	--------	--------------

3-D FUSED STARFISH - Maximum 8 Students

We will have pre-cut pieces ready to be assembled and embellished with dichroic, glass, frit and stringers. All glass, wire and miscellaneous adornments are included. No experience necessary. Project will be fired and ready for pickup the following week. **TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00**

24.	SEPT. 21	TUESDAY NIGHT	6 – 8:30 PM
-----	----------	---------------	-------------

SOME LIKE IT HOT – MOSAICS – Maximum 9 Students

You are going to make a 15” X 15” framed mosaic mirror. The piece will consist of a 5” x 7” mirror with fused elements and mosaic pieces around the mirror. The frame, mirror, glue, grout and pattern are included. Fusible class glass is available for use, but background glass is not included. No fusing experience is needed.

TUITION \$165.00 – NON-REFUNDABLE DEPOSIT \$85.00

25.	SEPT. 25, OCT. 2 & 9	SATURDAY	1 – 4 PM
-----	----------------------	----------	----------

SILVER CIRCLE AND BEAD NECKLACE – AN INTRODUCTION TO PMC – Maximum 9 Students

You will learn the basics of rolling PMC, cutting, drying, finishing and firing, You will make cut circles out of PMC3, then use wire working techniques to string beads and your circles together to create a finished necklace. All PMC3, wire and clasps are included. Bead kits will be available for purchase or you may bring your own beads.

TUITION \$85.00 NON-REFUNDABLE DEPOSIT \$40.00

26. OCT. 1 FRIDAY 9 – 11:30 AM

DECORATIVE SOLDERING AND MEMORY BOX – Maximum 8 Students

You will solder together a 4” triangular box filled with sand and your favorite memorabilia. Decorative soldering techniques will be explored while we will embellish the edges with beads, shells and solder. Soldering experience is required. Bevels, sand, beads and shells are included. Bring your own keepsakes.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

27. OCT. 7 THURSDAY 9 – 11:30 AM

MOSAIC TRIVET -- Maximum 9 Students

Using traditional mosaic techniques we will use glass to create a 6” square trivet. A limited supply of glass will be available. Base tile, grout, glue and cork protectors are included. You will spend approximately 1-1/2 hours in the second class applying grout. **TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00**

28. OCT. 8 & 15 FRIDAY 9 -- 11:30 AM

EXPLORING BAS RELIEF – Maximum 9 Students

Let’s explore techniques using varying thicknesses of fiber paper to create designs and then embellish them with color or additional texture on a 6 X 6” tile. Glass and fiber paper are included. Project will be fired and ready for pickup the following week. Fusing experience required.

TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00

29. OCT. 16 SATURDAY 1:30 – 4 PM

KILN CAST BOXES – Maximum 6 Students

Using Colour de Verre box molds we will explore mold preparation, color selection, mixing frit and fill weights. Boxes will be cast so they are ready to be embellished in the second class. Firing schedules will be discussed. All materials are included. Boxes will be ready for pickup the following week. No experience necessary.

TUITION \$95.00 – NON-REFUNDABLE DEPOSIT \$50.00

30. OCT. 19 & 26 TUESDAY NIGHT 6 – 8 PM

BEGINNING PRECIOUS METAL CLAY (PMC) - Maximum 9 Students

You will make 3 projects using PMC3 clay and syringe while learning the basic techniques including rolling, shape cutting, texturing, joining, blending and drying. Pieces will be fired and finished in class. You will go home with earrings and one stamped pendant. The dichroic pendant will be ready next week. Materials include 25 g. PMC 3 clay and use of clay syringe. **TUITION \$135.00 NON-REFUNDABLE DEPOSIT \$70.00**

31. OCT. 22 FRIDAY 9 – 11:30 AM

FOUND OBJECT PENDANT WITH “JOSIE” CIRINCIONE – Maximum 10 Students

This class is for both beginners and experienced glass hobbyists. Two boxes will be created using two pieces of glass and copper foil with dimensional objects inside. Basic soldering techniques, as well as cutting glass to size, attaching jump rings, and applying patina will be covered. We will explore different collage elements that can be applied to this project. Soldered dimensional boxes are a great way to display keepsakes. Materials are included.

TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00

32. OCT. 23 SATURDAY 1 – 4 PM

LEAD ANGEL – Maximum 9 Students

In this class you will cut, lead and assemble an angel perfect for a Christmas gift! Glass, lead and pattern are included. Tools are not included, although there may be a few rental tools available. Glass cutting and soldering experience required. **TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00**

33. OCT. 27 WEDNESDAY 9 – 11:30 AM

MELISSA BRANZELL PRESENTS PAINTING WITH FRIT – Maximum 9 Students

Melissa will instruct us in the frit painting techniques of Roger Thomas and Kathleen Sheard. She has taken extensive classes and is now sharing that information with us. Bring a large photograph of your favorite animal, flower or fish and we will re-create it in glass! During class we will create an 8” x 8” tile and a 9” X 12” tile. The last class is a time to pick up your projects and to spend a few minutes critiquing and sharing them with your fellow students. All materials included.

TUITION \$450.00 – NON-REFUNDABLE DEPOSIT \$225.00

**34. OCT. 28, 29 THURSDAY & FRIDAY 9 AM – 4 PM
NOV. 4 THURSDAY 9 – 10 AM**

FUSED PHOTO FRAME – Maximum 9 Students

Let’s make a frame for your favorite child/grandchild’s school picture using fiber paper and your creativity! All glass, fiber, frit and stringers are included. Frame will be ready for pickup the following week. No experience necessary.

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

35. OCT. 30 SATURDAY 9 – 11:30 AM

3-D FUSED FISH - Maximum 8 Students

We will have pre-cut pieces ready to be assembled and embellished with dichroic, glass, frit and stringers. All glass, wire and miscellaneous adornments are included. No experience necessary. Project will be fired and ready for pickup the following week. **TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00**

38. NOV. 2 TUESDAY NIGHT 6 -- 8:30 PM

FUSED CANDLE HOLDER – Maximum 9 Students

You will create your own design that will be fused in our kilns, then draped to form a candleholder. Projects will be available for pickup the following week. No experience necessary.

TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00

39. NOV. 3 WEDNESDAY 9 – 11:30 AM

GLASS TAPESTRY – MIXED MEDIA – Maximum 8 Students

You will be working with rolled glass edges, sticks and rondels to create a unique design. Using the copper foil technique the piece will be soldered to create a finished tapestry approximately 14” in diameter. You will embellish the piece using decorative soldering techniques as well as some wire working. Let’s think outside the box and have some fun! Bring your own background glass and found objects. Previous copper foil experience is required.

TUITION \$165.00 – NON-REFUNDABLE DEPOSIT \$85.00

40. NOV. 6, 13, 20 SATURDAY 1 – 4 PM

FUSED CHRISTMAS CANDY DISH – Maximum 10 Students

Spend a fun-filled morning with us to create a Christmas gift or keepsake in the form of a 6” - 8” plate. Your project will be fused as a single layer with texture-fired components. Materials are included. Dish will be ready for pickup the following week. No fusing experience necessary although cutting is a must!

TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$50.00

41. NOV. 9 TUESDAY NIGHT 6 – 8:30 PM

PMC INTERMEDIATE – “WHAT’S YOUR BAG” WITH MELISSA – Maximum 9 Students

A fun class to create your own PMC purse pendant. Class will cover how to texture, shape, and finish PMC clay, as well as the process for wire working with beads. Materials are included. Must have PMC experience.

TUITION \$125.00 – NON-REFUNDABLE DEPOSIT \$60.00

42. NOV. 12 FRIDAY 9 – 11:30 AM

FUSED CHRISTMAS ORNAMENTS – Maximum 10 Students

We have a bunch of ideas for creating Christmas ornaments that you can keep or use as gifts. Use our ideas, or come up with your own for single-layer, texture-fired ornaments. Materials for 5 ornaments are included. Ornaments will be ready for pickup the following week. No fusing experience necessary although cutting is a must!

TUITION \$75.00 – NON-REFUNDABLE DEPOSIT \$40.00

43. NOV. 16 TUESDAY NIGHT 6 – 8:30 PM

SOLDERED BUTTON / BLING CHARM – Maximum 9 Students

This is the perfect workshop for both beginners and those of you who want to venture into dimensional soldering to add some new techniques to your soldering skill set. You will create a soldered box using 2 pieces of glass (one cut and one bevel), copper tape, dimensional objects, and ephemera. In addition to basic soldering techniques, you will learn how to cut glass down to size, attach jump rings, and explore different collage elements that can be applied to this project. Materials are included. No experience necessary.

TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$45.00

44. NOV. 17 WEDNESDAY 9 AM – 12 PM

FUSED CHRISTMAS PLATE – Maximum 9 Students

We will have a new idea for this year’s plate for all those Christmas goodies you bake and give away. It will be a single layer, texture-fired piece that will be slumped into a plate shape. Glass and materials for one plate are included. Plate will be ready for pickup the following week. No fusing experience necessary although cutting is a must!

TUITION \$85.00 – NON-REFUNDABLE DEPOSIT \$50.00

45. NOV. 23 TUESDAY NIGHT 6 – 8:30 PM
